
PEKA Repair Department

PEKA'S workshop team is equipped to deal with a wide range of chain and pearl repairs.

Our repair job turn around is 10-15 working days.

All the below prices are indicative, for a more accurate quote please contact the workshop team. All prices are exclusive of GST.

The minimum charge for a repair job sent to PEKA is \$25.00

Repair jobs and pricing:

- Basic pearl matching jobs with no gluing = \$25.00
- Matching and making up a pearl stud = \$30.00
- Extending a chain with a PEKA chain will cost approximately \$30.00 - \$40.00
- Replacing a ½ ground seed pearl and setting it = \$35.00 + \$3.00 for each additional pearl.
- Drilling and setting customer pearls on PEKA findings \$25.00 for a pendant and \$30.00 for earrings.
- Drilling customer pearls (>10pc) \$30.00 for up to 3pc, \$35.00 for 4-6pc, \$40.00 for 7-10pc

Repair jobs we do not accept:

- Drilling large quantities of pearls (strands) or drilling pearls in a way that will risk the integrity of the pearl.
- Any soldering work on gold filled, rolled gold or hollow belcher chains.
- Anything with base metal, we only work with silver and gold.
- Drilling or removing glued fittings on simulated pearls.

Please do not hesitate to contact our workshop if you have any further questions.

All prices exclude GST
